Re: ***Petition for Forbearance from Commercial Mobile Radio Services Number Portability Obligations*** WT Docket No, 01-184 Ex Parte Notification

Dear Ms. Salas:

On behalf of AT&T Wireless, this is to notify the Commission of an *ex parte* communication, in accordance with Section 1.1206 of the Commission's rules. 47 C.F.R. § 1.1206. On September 26, 2001 Doug Brandon of AT&T Wireless and I met with Tom Navin, David Furth, Patrick Forster and Jennifer Salhus of the Wireless Telecommunications Bureau and Diane Griffin Harmon and Cheryl Callahan of the Common Carrier Bureau. The parties discussed issues related to the justification for forbearance from the number portability obligation for wireless carriers and the risks associated with simultaneous implementation of number portability and pooling. AT&T Wireless reiterated and discussed positions taken in its comments on these issues in the above-referenced docket.

Pursuant to Sections 1.1206(b)(2), we have filed this notice electronically in the docket referenced above. If you have any questions with regard to this matter, please contact the undersigned.

Very truly yours,

Davis Wright Tremain LLP
